Ceramics & Clay Badge

Pottery Café can help your troop earn their ceramic badge. The badge requirements include the following: handle with care, make a pinch pot & coiling. The class is one hour in length. The cost is \$12 per scout. All ages are welcome. Each scout will learn how to make a clay pot and paint their creation. We will fire each pot and return to the leader 10 days later. \$20 deposit is required and is an instructional fee. Scout leaders are responsible for purchasing the badges for the scouts.
